

Puppy Training Contract

Welcome to LK Bernedoodle Puppy Training!

We are excited that you have chosen a great start to raising your puppy!

Here are the things you can expect to be worked on while your new family member is in your trainers home for the next several weeks:

- Know their name
- Come when called
- Sleep in a kennel all night
- "Kennel" command
- "Sit" command
- "Down" command
- "Wait" command
- "OK Come" command
- Leash walking
- Potty training basics
- Manners and boundaries in the house
- Continued socialization around dogs and children

You will be matched with a trainer that you will follow on Instagram to get updates about your puppy. We ask that you refrain from contacting your trainer during the puppy's training period.

If you have questions or concerns, you are welcome to contact Sarah (541)-525-3544 or Kate(541) 510-5989. Trainers will not engage in direct messaging with you.

Families can expect at least 2 videos per week and 4 photos.

I, _____, understand that puppy school training is a starting point and I am not expecting my new puppy to be perfectly trained.

- Vet care, age appropriate vaccines, deworming, and food are all included in this extended training.

Please circle the desired training session below.
